PRINCIPAL'S MESSAGE

Spring is like the friend that says they're "On their way," when they haven't even left the house yet.

We look forward to the sights, the sounds, and the feel of Spring. We also look forward to a blessed celebration of our Lord's resurrection. Hopefully, your Lenten season has included prayer, some self-sacrifice, and even a charitable act or two. Easter is indeed a holy time. As a school we will be celebrating with a Mass later this month at Sacred Heart Church in Langton (April 24th) at 9:30 a.m. You are more than welcome to join us.

With March Break now behind us, we see the end of the school year rapidly approaching. Thank you to those of you who supported our Book Fair. It was a very successful event with many of the children purchasing an item or two. Both the Boys' and Girls' Volleyball teams are working hard and practicing for the tournament to take place on Monday, April 7th at Holy Trinity High School in Simcoe. Academically, we have our annual EQAO testing period to look forward to. Although, typically in latter May or possibly early June, I will let you know the dates once we have them confirmed.

The Boundary Review process continues as the public input meeting was held a few weeks ago. Concerns and recommendations were recorded by way of an online portal. School Board Senior Administrators will take that information, make recommendations to the Trustees who will then have their say. Please keep in mind, any changes will not take effect until September of 2026.

As always, yours in Catholic Faith and Education.

Joe Persia, Principal.
