2025

# MESSAGE FROM THE PRINCIPAL

**Happy New Year, and away we go!**

**As difficult as it is to believe, 2025 is here, and well-under way with some frigid weather. We had a white Christmas, and a green entry to the New Year. It was shortly there after that the mercury in the thermometer headed south so to speak!**

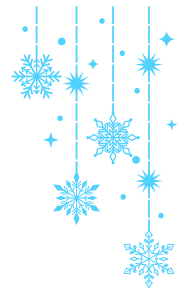

**I hope you all enjoyed a blessed holiday. I trust you got to spend some time with family and friends, celebrating some customary traditions, and made some wonderful new memories. If you travelled, I hope things went smoothly. If you stayed close to home, I hope it was restorative, and if you were busy with friends & family, I hope you got the chance to enjoy the love and connection of those relationships. We are looking for some help with developing the musical talent of the children here at OLOF. We had originally planned to have a musical presentation in mid January. The purpose of this was to gauge the interest of the students and create a choir, as well as a small instrumental band. We had a couple of individuals lined up but unfortunately, they have had to step back due to circumstances beyond their control. If you know of someone who provides music lessons on a variety of instruments as well as perhaps guiding a choir, please forward any names and contact information to us here at the office.**

**We've hit the ground running upon our January return and are rapidly winding down Term 1. Report cards will be coming home in early February. As always, our goal is to help students develop academically, spiritually, and socio-emotionally, and we continue to look forward to doing so.**

**God Bless - Mr. Persia**
