# PRINCIPAL'S MESSAGE

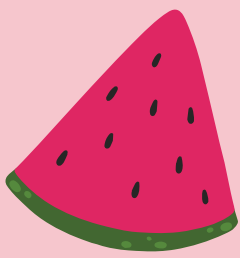

The finish line is in sight. As we turn the corner into June, preparations are underway to complete the school year. Year-end class trips have been planned and scheduled. I do hope you took the opportunity to take your children's teacher's advice about obtaining a police check if you were planning on attending.

The Grade 8 Graduating Class is excited about wrapping up their elementary school careers and perhaps may even be just a bit nervous about beginning their high school one. We wish them very well and know that they will be successful in their endeavours. We encourage them to stay true to themselves, and the family values you worked so hard to instill in them. Report Cards will once again be emailed to you June 23rd, 2025. I hope you have a relaxing, enjoyable, and safe summer. Looking forward to seeing you once again in September.

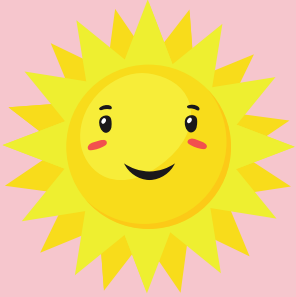

~Mr. Joe Persia~
