PRINCIPAL'S MESSAGE

As much as the school year appears to be flying by, Winter seems to be taking its sweet time before shifting into Spring. I don't recall a winter in which we received as much snow as we have in such a short period of time. It's been a winter alright. As a result of the snow and parking lot plowing, we lost a couple of parking spaces, making morning drop-offs a bit more challenging. Once the children have been safely dropped off, we encourage you to leave those front spaces for other parents who also may wish to drop a little closer to the school, rather than have them navigate the parking lot traffic. Your support with this is appreciated.

We've also enjoyed a couple of snow days earlier this month. On those days however, we encourage the children to visit their classroom D2L page where their teacher will post some activities for the day.

In terms of upcoming events, early March will see our annual Pancake Tuesday lunch for the children on March 4th, meaning of course Wednesday the 5th will be Ash Wednesday. March Break is the following week – No school March 10-14th. The School Board Volleyball Tournament is Monday, April 7th, and both the boys' and girls' team have been hard at work.

As always, thank you for your continued support. Take some time to enjoy your March break.
